

SENTINEL® PVC P150 Pitch Pans

High-quality, Prefabricated and Custom PVC Flashing details

DESCRIPTION

Easily seal vertical penetrations using our prefabricated pitch pans. Since most roof failures occur at points of penetration, it's critical to have a high-quality pitch pan that will perform on the rooftop. Prefabricated pitch pans results in your crews not having to sacrifice quality for time savings. Your customers will get the same high-performing, hand-welded seal around every rooftop protrusion.
